Opus 1787 as installed in the Mayflower Theatre was a five rank Style 150 Special. The trumpet rank from Opus 1606 has been added for a total of six ranks. Opus 1606, also a five rank organ, was built earlier in 1927 and was originally installed in the Oxford Theatre, Oxford, Ohio. It was later removed and served as one of three Wurlitzer organs in the Crosley Square studios of radio station WLW. Opus 1787 was the first Style 150 Special organ built by Wurlitzer.
